The directors present their strategic report for the period 12 February 2019 to 31 March 2020.

The Marches Local Enterprise Partnership (LEP) was launched to create the conditions for economic vitality and sustainable employment across this diverse region, globally recognised for its pioneering industrial heritage and entrepreneurial spirit.

**REVIEW OF BUSINESS**

Covering Shropshire, Telford & Wrekin and Herefordshire, the Marches LEP was in the first tranche of partnerships approved by the Government in 2010, joining some of the country's urban powerhouses at the cutting edge of economic development. There are 38 LEPs across the UK, each tasked with driving economic growth in their region.

By leading co-ordinated action to stimulate economic development, through programmes and projects focused on housing, transport, infrastructure, broadband availability, inward investment and skills, the Marches Local Enterprise Partnership is aiming to improve the economic prosperity of the Marches area and create sustainable private sector employment.

The Marches LEP receives funds from the Government which have been made solely available to LEPs to address priorities identified in the Strategic Economic Plan. Once this funding has been secured it is contracted to a wide range of delivery partners including local authorities, universities, colleges, voluntary community sector and private training partners to deliver projects that address the economic needs of the Marches area.

Up until 31st March 2019 the Marches LEP was an unincorporated informal partnership. During 2018/19 Central Government issued a requirement for all LEPs to become a legal company from 1st April 2019. Independent legal advice was sought on the most suitable vehicle and the recommendation to form a private company limited by guarantee was followed and the Marches Local Enterprise Partnership Limited was incorporated. Shropshire Council, acting as the accountable body, continues to receive the funding allocations from Government in the form of s31 grants on behalf of the Marches LEP.

During 2019/20 the Marches LEP continued to support projects including Growth Deal and Growth Hub. Overall funding received by the Marches LEP increased in 2019/20 as a result of a number of Growth Deal 3 projects commencing in 2019/20. The Marches LEP Core Team continues to support projects within Growth Deal 1 and 2 by monitoring outputs as per the funding agreements and are working with Growth Deal 3 projects.

The Marches LEP, like all other LEPs, was subject to an annual performance review in Spring 2020 for the 2019-20 financial year across the three themes: governance, delivery and strategic impact. The Marches LEP was awarded good for governance and delivery and met the requirements for strategic impact.

With the prime ministers announcement on Covid 19 in effect announcing a lock down from March 23rd. The LEP's operations have continued largely as before lockdown. Staff have successfully operated remotely and will continue to do so until it is safe to operate from the office. Board meetings and other similar activities have been held remotely since 23 March 2020

It is not anticipated that Covid 19 will significantly impact operations during 2020/21.

On 1 July 2020 Ministry of Housing, Communities and Local Government advised that the government will be making £900m available to LEPs through the new Getting Building Fund investing in local infrastructure projects to drive economic growth and confirmed that the Marches LEP will receive up to £14m to support capital projects which has to be committed and spent by January 2022.

**MEMBERS LIABILITY**

Each member of the company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £1 for the debts and liabilities contracted before he/she ceases to be a member.

**STATEMENT OF DIRECTORS' RESPONSIBILITIES**

The directors are responsible for preparing the Strategic Report, the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the surplus or deficit of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS**

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that he or she ought to have taken as a director in order to make himself or herself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

**AUDITORS**

The auditors, James, Holyoak & parker Limited, will be proposed for re-appointment at the forthcoming Annual General Meeting.

**ON BEHALF OF THE BOARD:**

### **Opinion**

We have audited the financial statements of The Marches Local Enterprise Partnership Ltd (the 'company') for the period ended 31 March 2020 which comprise the Income Statement, Other Comprehensive Income, Balance Sheet, Statement of Changes in Equity, Cash Flow Statement and Notes to the Cash Flow Statement, Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2020 and of its surplus for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### **Other information**

The directors are responsible for the other information. The other information comprises the information in the Strategic Report and the Report of the Directors, but does not include the financial statements and our Report of the Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Report of the Directors have been prepared in accordance with applicable legal requirements.

**Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report or the Report of the Directors.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

**Responsibilities of directors**

As explained more fully in the Statement of Directors' Responsibilities set out on page four, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

**Auditors' responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Report of the Auditors.

**Use of our report**

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

2. **CASH AND CASH EQUIVALENTS**

The Accountable Body funds are held on deposit on behalf of The Marches LEP by Shropshire Council, funds being interest-bearing. See debtors for detailed breakdown.

1. **STATUTORY INFORMATION**

The Marches Local Enterprise Partnership Ltd is a private company, limited by guarantee, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. **ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

**Critical accounting judgements and key sources of estimation uncertainty**

In the application of the company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amounts of the assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant.

Income is recognised on an accruals basis based on an estimate of the income due in the relevant period.

Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

**Income**

Grant and Operational income is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

**Recognition and measurement**

A reporting entity cannot recognise a government grant until the recognition criteria has been met. In order to meet the recognition criteria there must be reasonable assurance that:

- the entity will comply with the conditions attaching to the grant; and
- the grants will be received.

Grants are recognised under the accrual model which requires the grant to be classified as either a revenue-based grant or a capital-based grant.

Grants which relate to revenue shall be recognised in income on a systematic basis over the periods in which the entity recognises the related costs for which the grant is intended to compensate.

Grants relating to assets are recognised in income on a systematic basis over the expected useful life of the asset.

**Interest income**

Interest income is recognised in the Income Statement on a cash basis when received.

2. **ACCOUNTING POLICIES - continued**

**Financial instruments**

Basic financial instruments are initially recognised at the transaction price unless the arrangement constitutes a financing transaction where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets are derecognised when:

- The contractual rights to the cash flows from the asset expire or are settled; or
- Substantially all the risks and rewards of the ownership of the asset are transferred to another party; or
- Control of the asset has been transferred to another party who has the practical ability to unilaterally sell the asset to an unrelated third party without imposing additional restrictions.

Financial liabilities are derecognised when the liability is extinguished, that is when the contractual obligation is discharged, cancelled or expires.

**Taxation**

The company operates as a not for profit entity, it does not carry on a trade for tax purposes, as a result, the net surplus arising from these activities is not trading and is exempt from corporation tax. The company is liable to corporation tax on bank interest and other investment interest.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

**Going concern and covid-19**

The financial statements have been prepared on a going concern basis as the Directors believe that no material uncertainties exist. The Directors have considered the level of reserves held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the company to continue as a going concern.

Refer to the Strategic Report for information regarding the company's response to Covid-19 and it's effect on the company.

This highlights the directors belief that the company will be a going concern for the foreseeable future.

3. **GRANT AND OPERATIONAL INCOME**

The whole of the income is attributable to the principal activity of the company wholly undertaken in the United Kingdom.

Income arising in the year includes revenue income received to cover the day to day core funding requirements of the LEP such as administration costs and staff remuneration. It also includes revenue income to fund certain projects undertaken directly by the LEP. Grant income includes capital income received for specific projects which are then distributed by the LEP to third parties. They are generally funds provided by Government or other agencies. Costs directly attributable to projects are charged against this income and shown as an expense.

4. **EMPLOYEES AND DIRECTORS**

The LEP has no directly employed staff. All staff are employed by Shropshire Council and are then hosted by the LEP. The average number of staff seconded in 2019/20 was seven.

Directors' remuneration	£ - =====
-------------------------	-----------------

5. OPERATING SURPLUS

The operating surplus is stated after charging:

Auditors' remuneration	£ <u>5,400</u>
------------------------	-------------------

6. INTEREST RECEIVABLE AND SIMILAR INCOME

Deposit account interest	£ 172,992
Current asset investment income	<u>16,435</u>
	<u>189,427</u>

7. TAXATION

**Analysis of the tax charge**

The tax charge on the surplus for the period was as follows:

Current tax:	£
UK corporation tax	<u>35,991</u>
Tax on surplus	<u>35,991</u>

UK corporation tax has been charged at 19%.

8. DEBTORS

Cap-Grants received in advance	<u>31,480,638</u>
	<u><u>36,631,649</u></u>

10. **LEASING AGREEMENTS**

The Marches Local Enterprise Partnership has operating leases that are made on behalf of the entity through Shropshire Council. Including the lease of the furnished rooms used by the entity.

11. **RESERVES**

The reserves represent cumulative surpluses or deficits, net of other adjustments, as follows:

	£
<b>Capital Projects</b>	
Marches Investment Fund	<u>1,636,733</u>
	1,636,733
<b>Revenue Projects</b>	
Core	1,188,720
Capacity	71,553
Marches Investment Fund	<u>132,565</u>
	<u>1,392,838</u>
	<u><u>3,029,571</u></u>

On incorporation the reserves from Marches Local Enterprise Partnership were transferred to The Marches Local Enterprise Partnership Ltd. These reserves were increased by £966,858 which related to grants which were not considered useable prior to incorporation, and therefore did not form part of the reserves of The Marches Local Enterprise Partnership.

12. **CAPITAL COMMITMENTS**

Grant agreements span several financial years, typically involving a plan for spend and any grant payments due. Grant drawdowns are usually subject to claims.

At the year end grants of £270,000 had been agreed by the board but not drawn down, for projects within the Tri-County area of Shropshire, Herefordshire and Telford & Wrekin.

**13. RELATED PARTY DISCLOSURES**

Marches Local Enterprise Partnership Limited is a strategic organisation which has a revenue budget that covers operating costs that is reflected in these accounts. The majority of the revenue is given by Government for this purpose via the accountable body.

The LEP also secures large amounts of Capital funding from Government that is used to invest in transport schemes, infrastructure and to provide loans and grants to companies. The requirement of the Government is to use 'accountable bodies' to hold and manage these large amounts of public money, the LEP as a newly created company does not qualify as an 'accountable body'. To date, Shropshire Council with established and robust systems in place and with a track record of dealing with substantial amount of public money, have acted as the 'accountable body' to manage and deploy all capital on behalf of the LEP, which currently include Local Growth Fund, and Marches Investment Fund.

During the year, the Partnership received income and made payments to the three partner Councils for the following amounts:

	Herefordshire Council £'000	Shropshire Council £'000	Telford & Wrekin Council £'000
Income received during the year:			
Match funding	(23)	(38)	(21)
Enterprise Zone Projects	(100) (6)	- -	- -
Interest on balances	-	-	-
Total income	(129)	(172)	(21)

Phase 1 of development and refurbishment of the Blackfriars Premises was underwritten by Herefordshire Council to the amount of £847,000.

**14. POST BALANCE SHEET EVENTS**

Due to the outbreak of COVID19, in the UK during March 2020, the company has assessed the impact of the virus on its activities. We would like to draw your attention to the accounting policies note for further details.

On 1 July 2020 Ministry of Housing, Communities and Local Government advised that the government will be making £900m available to LEPs through the new Getting Building Fund investing in local infrastructure projects to drive economic growth and confirmed that the Marches LEP will receive up to £14m to support capital projects which has to be committed and spent by January 2022.

**15. ULTIMATE CONTROLLING PARTY**

There is no one ultimate controlling party.

**16. MEMBERS LIABILITY**

Each member of the company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £1 for the debts and liabilities contracted before he/she ceases to be a member.
